FAQs Frequently Asked Questions

Where do I get a QR code?

The QR code will be included in your marketing kit. It will also be on your flyer & social media graphic.

Where should I use the QR code?

Simply download the provided QR code from your marketing kit. We recommend that you include it on your website, menus, newsletters or any other form of advertising that you are doing for your business!

Can I create additional QR codes?

Yes! There are many free sites that allow you to create QR codes. Here is an example: https://www.qr-code-generator.com/
